

Cosmetologist - Practicing Master Instructor

Description

This major prepares students to become licensed cosmetology Master Instructors who provide new, up to date cosmetology skills and knowledge to cosmetology students. This course will also allow the Practicing Master Instructor to guide cosmetology students in providing five star customer service to customers. The practicing master instructor will teach cosmetology students how to communicate with customers and to be knowledgeable about the products they use and guide them on enhancing the customers personal appearance. Practicing master instructor students will receive classroom instruction and hands-on training in classroom set up, student behavior, record keeping and the role of the master instructor. Included is quality time with cosmetology students, teaching time in the classroom and teaching time on the clinic floor where the practicing master instructor will demonstrate various skills. To obtain state licensing, students must complete 500 hours of instruction and pass the Oklahoma State Board of Cosmetology written and practical exams.

- The master instructor license is rewarding & satisfying for those men & women who are dedicated to sharing their skills of cosmetology with individuals interesting in becoming a cosmetologist
- Learn to become a successful master instructor through classroom theory & clinical practice
- Learn the techniques needed for providing a positive and professional classroom environment for students, keeping accurate records on individual students, meeting with students and discussing progress, preparing students for the Oklahoma State Board of Cosmetology exam and preparing students for the workforce
